

# WEDDING BELLS

**Renaldo J Services, LLC**

**I NOW  
PRONOUNCE  
YOU,  
WEDDILY  
PREPARED**

There has been quite a few request for a musical wedding list. I simply decided to call this “Wedding Bells” because it’s giving you an idea and hopefully ringing a *bell* in your mind of which direction you and your significant other want to go musically. This will be a general guide for couples who cannot decide or just don’t know where to start. In no particular order, the list will provide some of the top chosen songs, my personal favorites, and other recommended songs from the internet and other DJs. If you need further inspo, check out [brides.com](http://brides.com) and search the category of music you’re needing; there’s a ton there! You can never go wrong with google search either. However, turn the music up! Don’t switch that song, but feel free to scroll through and pick your favorites.
